Extreme Exposure with the LinktoEXPERT Business Showcase

Tampa, FL (August 17, 2023) - Some businesses seem to be everywhere! You hear about them on a radio show or you watch them on TV or a Podcast. They come over the business wires. People respond or interact with them on their blogs and social media platforms. They are in magazines and directories. You receive email blasts about their events, new products and services. They seem to always remember to reach out with news of what is happening in their world.

Cece Shatz and Joanne Weiland love when businesses understand the value of expressing their company's uniqueness. Shatz and Weiland's life mission has been to expose people's expertise to the world! That is exactly why the LinktoEXPERT Business Showcase on the Going Bold Network was conceived!

On August 9, 2023, the first show was aired to 5+ million people. Tune in to learn about exciting inventions, products, and services to make your life easier. Shatz and Weiland have always been inquisitive and want to know more, so now they will share their findings with you every Wednesday at 1 pm EST on <https://bit.ly/LinktoEXPERTBusinessShowcaseShow>.

The show is a "Who Done It" type format. You will learn what they do, why they do it, when and where they do it, who they do it to and of course, how you can benefit from what they do and how *you* can do it too!

For example, the Business Showcase was created to expose your efforts to the world. Together, they make it easy for you to showcase your uniqueness now, and from your own workplace locally, nationally, and globally.

Click here to download a story and survey to discover how easy it is to experience extreme exposure:
